

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 13, 1995

SUBJECT: **SB 1712 - HB 1536**

This bill, if enacted, will require courts to remove and destroy records of a person convicted of a misdemeanor, except for convictions of driving under the influence, upon petition by that person. The court shall determine a fee for expungement not to exceed \$25.

The fiscal impact from enactment of this bill is estimated to result in an increase in first year local government expenditures for additional requests for expungement of certain misdemeanor records. The enactment of this bill is also estimated to result in an increase in first year local government revenues from the charge not to exceed \$25 for the destruction of such records. A reasonable estimate of the increase on local government expenditures and revenues cannot be determined but the net impact is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
